

# QUINTA DO NOVAL

SINCE 1715

---

## Quinta do Noval Petit Verdot 2023

---

Petit Verdot is a great variety of strong individual personality and enormous quality potential. Best known for its presence in small proportion in the blends of the great wines of the Médoc. It needs sunshine and heat to ripen fully, and has adapted extremely well to the Douro to produce a varietal wine of exuberant character and individuality.
